Oakeside to Host New Abstract Art Show By Bloomfield Artist

Bloomfield artist Mark AJ Szep will present his new art show "Spark of Creation" at the Oakeside Bloomfield Cultural Center.

The exhibit will run from Aug. 1 through Aug. 31 and can be viewed Monday-Friday, 9 a.m.-3 p.m. Evening viewings by appointment only. An opening reception will be held Thursday, August 13th from 7:30-9:30 p.m. at Oakeside where the public can meet and greet the artist. Light refreshments will be served.

Spark of Creation is a series of black and white abstract paintings that speak to that single moment of creation when one drop of paint reaches the canvas and spreads outwards in undulations of expression and creativity.

Szep states, "This series - finished in only a matter of months - serves as a metaphor for both the inner and outward universe that exists for each of us - expanding, contracting and ever changing."

Szep has been active in photography and oil painting for almost 15 years. His artwork hangs in private collections and has won awards in many local art shows throughout northern New Jersey. You can find his online gallery at www.markajszep.com.
